Mechanical Contractors Association of New Jersey
and
Fairleigh Dickinson University

Mechanical Contractors Association Grant Program Voucher

Student's Name ____________________________ Employer Name ____________________________

Employees of member companies of the Mechanical Contractors Association are eligible to receive a
Mechanical Contractors Association Grant in the amount of $100 per credit hour when enrolling in the
credit-bearing Mechanical Engineering Technology / HVAC Certificate Program. This voucher covers the
fall, spring, and summer sessions of an academic year.

The Mechanical Contractors Association affirms that the above named employer is a member company in
good standing and the above named student is an employee of that member company.

______________________________    ________________
Mechanical Contractors Association Approval             Date

This voucher must include an authorized signature from the School of Computer Science and Engineering.
When completed, please bring it to the Office of Enrollment Services with your registration form. Please
sign this agreement in acknowledgment of the terms and conditions. Your account balance will be credited
the grant monies three weeks into the term, following the add/drop period. However, the Enrollment
Services Office will deduct the credit for the grant from your charges at the time of registration.

THE MECHANICAL CONTRACTORS ASSOCIATION GRANT CANNOT BE USED IN
CONJUNCTION WITH ANY OTHER FAIRLEIGH DICKINSON TUITION DISCOUNT OR
INSTITUTIONAL AID PROGRAM OFFERED BY THE UNIVERSITY.
