Fairleigh Dickinson University

FIRST Scholarships

In partnership, Fairleigh Dickinson University and FIRST have established three merit scholarships for high school seniors. These scholarships will benefit deserving seniors who are actively involved on a competing FIRST team and who would like to attend Fairleigh Dickinson University. In order for the selected students to receive the scholarship award, they must enroll in a full time, day undergraduate program of study at Fairleigh Dickinson University.

Fairleigh Dickinson University will award a merit scholarship for up to $5,000 per year of attendance to three seniors who are actively a member of a FIRST Robotics Competition (FRC) team or FIRST Tech Challenge (FTC) team at any high school in the country. Each senior who applies for the scholarship must meet the regular academic requirements for admission and scholarship criteria. The recipients will be eligible for additional merit scholarships not to exceed full tuition and will be able to apply for need-based financial aid.

To apply for one of the three Fairleigh Dickinson University FIRST Scholarships a student must:

- Complete a FIRST / Fairleigh Dickinson University Scholarship application (including essay on FIRST involvement – 500 words or less)
- Complete a Fairleigh Dickinson University Application for Admissions
- Submit an official high school transcript, which should include first semester senior year grades
- Submit SAT or ACT test scores

The FIRST Scholarship application and the Fairleigh Dickinson University application must be received no later than January 15.

FIRST scholarship applications and related materials may be obtained by contacting the Office of Undergraduate Admissions at 1-800-FDU-8803 or www.fdu.edu.
